S/S CONTINUOUS HORIZONTAL MIXER BOEMA, 300 L

ID:	0000000203468
MAKE	BOEMA
CAPACITY	300 L
TYPE	M/O
VOLT	400 V
FREQUENCY	50 Hz
WITH	DOUBLE BOTTOM
INCLUDED	DOBLE SINFIN
MADE OF	STAINLESS STEEL
POWER	6 KW / 8.2 CV

DESCRIPTION

The equipment is a Continuous Horizontal Mixer.
Functions:
- Gentle Agitation and Homogenisation: The horizontal M/O-type design utilises twin concentric helical augers specially designed to incorporate solid ingredients into the base sauce without crushing them or damaging their texture.
- Thermal Processing: It features an outer jacket (double-walled) for the circulation of steam or hot water, allowing the sauce to be cooked or kept at the correct temperature before it moves on to the packaging stage.
