

4 TECHNICAL FEATURES (M0405)

Fan capacity	m ³ /h	15000
Fan electric motor	kW	15
Static head	mmH ₂ O	200
Filtering cartridge	N°	18
Electrovalves	N°	9
Pressure of dry, without oil and filtered compressed air	Kpa	500
Compressed air consumption	N m ³ /h	14-20*
* Theoretical datum depending on the kind of the processed dust and the washing cycles		
Dust escape lower than	mg/N m ³	5**
** Theoretical datum depending on the application conditions
