### Line M4M1

- 2x EMAG special-purpose machines for thermal joining
- Laser marking system
- Trumpf TruMark laser structuring system

All those machines are not functional

We have on stock: Laser Marking Machine from Porsche Make: Neher LX02 YOM 2018

Price: 30.000,00€ free loaded

The LX02 is a laser marking system that is specially adapted to the 9A2evo and GT3 engine blocks

The labeling includes a data matrix, which is checked by the camera for legibility and correctness
