

PONY BP-B Professional Garment Press (2019)

Industrial Steam-Pneumatic Press for Trousers, Waistbands & Structured Garments

The PONY BP-B is a professional industrial garment pressing machine manufactured by PONY S.p.A., Italy in 2019.

Designed for continuous production environments, this steam-pneumatic press delivers high-quality finishing for trousers, waistbands, jackets, coats, and other structured garments. The machine combines steam, compressed air, and an integrated vacuum system to produce consistent, wrinkle-free finishing results with high productivity.

The machine has been used in professional garment manufacturing and remained fully operational until the factory shutdown.

Technical Specifications

- Manufacturer: PONY S.p.A.
- Model: BP-B
- Year: 2019
- Serial Number: 269913
- Country of Manufacture: Italy
- Power Supply: 230 V, Single Phase, 50 Hz
- Power Consumption: 0.5 kW
- Working Steam Pressure: Up to 5 bar
- Pneumatic Operation: External compressed air required
- Vacuum System: Integrated Lowara vacuum unit
- Weight: Approximately 230 kg

Key Features

- Professional steam-pneumatic garment press
- Integrated vacuum extraction system
- Steam-heated pressing head and buck
- Designed for trouser tops, waistbands, jackets, and structured garments
- Adjustable pneumatic pressing pressure
- Foot pedal operation
- Dual safety hand controls
- Emergency stop button
- Heavy-duty industrial construction
- Suitable for continuous production environments
-

Includes

- PONY BP-B garment press
- Integrated Lowara vacuum system
- Steam and pneumatic connections
- Foot pedal controls
- Industrial cabinet base
- Safety guards
- Electronic controls

Applications

- Trouser finishing
- Waistband pressing
- Jacket finishing
- Coat finishing
- Workwear production
- Garment manufacturing
- Commercial laundries
- Textile finishing departments

Condition

- Fully functional
- Previously used in professional garment production
- Serviced on 27.02.2026
- Video recorded in operation on 05.03.2026
- Good industrial condition
- Normal cosmetic wear consistent with factory use
- Available for inspection before dismantling

Location

Valga, Estonia

Dismantling & Transport

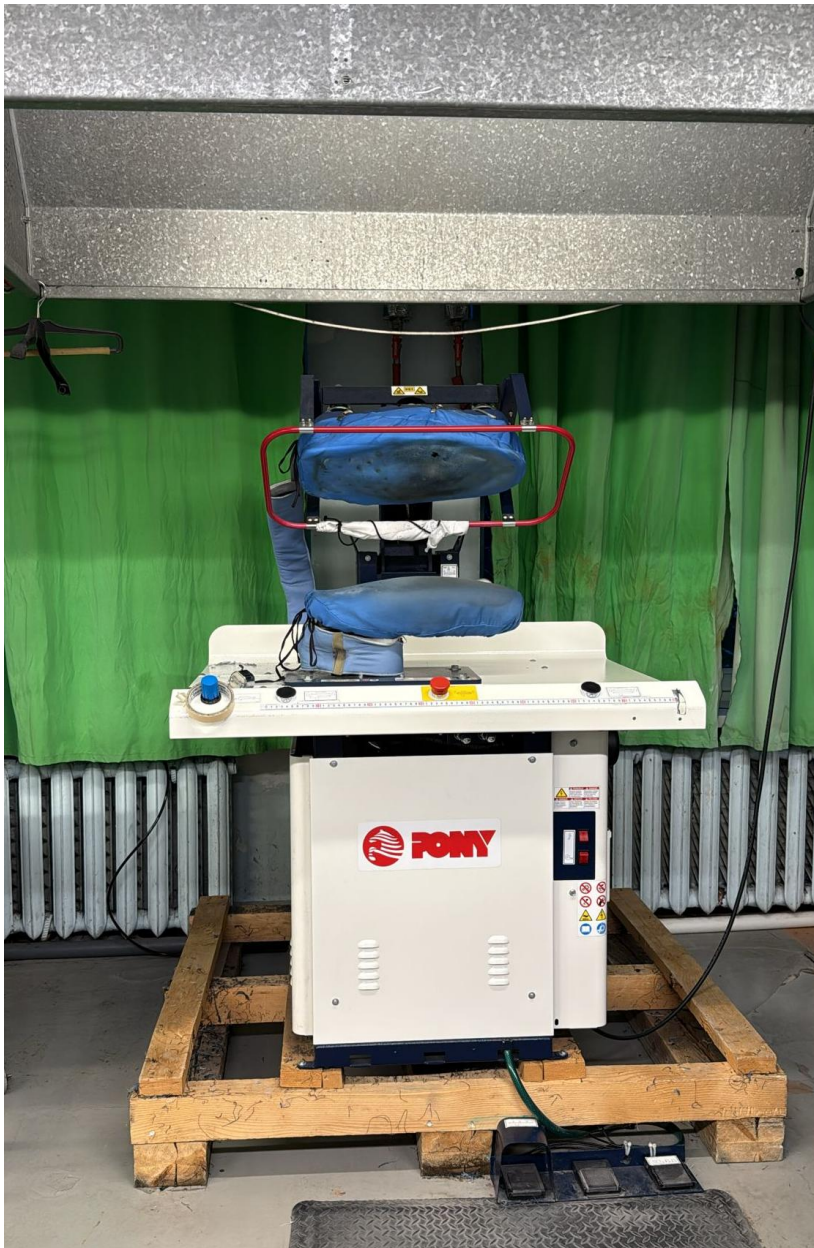

Buyer is responsible for disconnecting steam, compressed air, and electrical connections, dismantling, loading, transportation, and all related costs.

Professional dismantling is recommended due to the machine's industrial utility connections.

Sales Terms

Sold as-is, where-is, without warranty.

Part of the MASI JEANS factory liquidation.

Dichiarazione di conformità UE Declaration of conformity EU

Fabbricante/Manufacturer PONY S.p.A.		Indirizzo / Address Via G. Di Vittorio, 8 20065 Inzago (MI) Italy
