- Continuous solvent distillation
- Siemens PLC control
- Stainless steel process chamber
- Industrial production machine

Reason for Sale

The machine is offered for sale due to a reduction in production volumes following the completion of a customer project. The equipment is in very good working condition and has been regularly maintained.

Commercial Terms

Delivery Terms: EXW – Krško, Slovenia (Incoterms® 2020)

The buyer is responsible for complete dismantling, loading, transportation, customs formalities (if applicable), insurance, and all transport-related costs and risks. The seller will provide reasonable access to the machine and support coordination of the collection by prior agreement.

Warranty

This is a used industrial machine.

The machine is sold "as is, where is", without any warranty or guarantee, either express or implied.

The buyer is encouraged to inspect the machine prior to purchase.

Interested?

The machine is available for inspection by prior appointment.

On-site inspection and demonstration can be arranged for serious buyers.

Technical documentation and additional information are available upon request.
