TECHNICAL AND COMMERCIAL OFFER

CNC SORTING AND OPTIMIZING LINE WITH LENGTH SORTING, MODEL C 14 MKL

FEED SYSTEM

1 Infeed conveyor belt, approx. 10 m long

1 Measuring station

- 2 Measuring rollers for precise length measurement
- Height adjustment with linear guide
- Serrated surface ensures a perfect grip on the workpiece
-

1 Conveyor belt, discharge from measuring/infeed to the cutting station, approx. 6 m long

1 CNC model C14 MKL - cross-cut head

- Machine frame made of welded steel, 30 mm support wall thickness, tilt angle of 30 degrees

- TCT saw blade, standard diameter 700 mm

- Motor: 11 kW

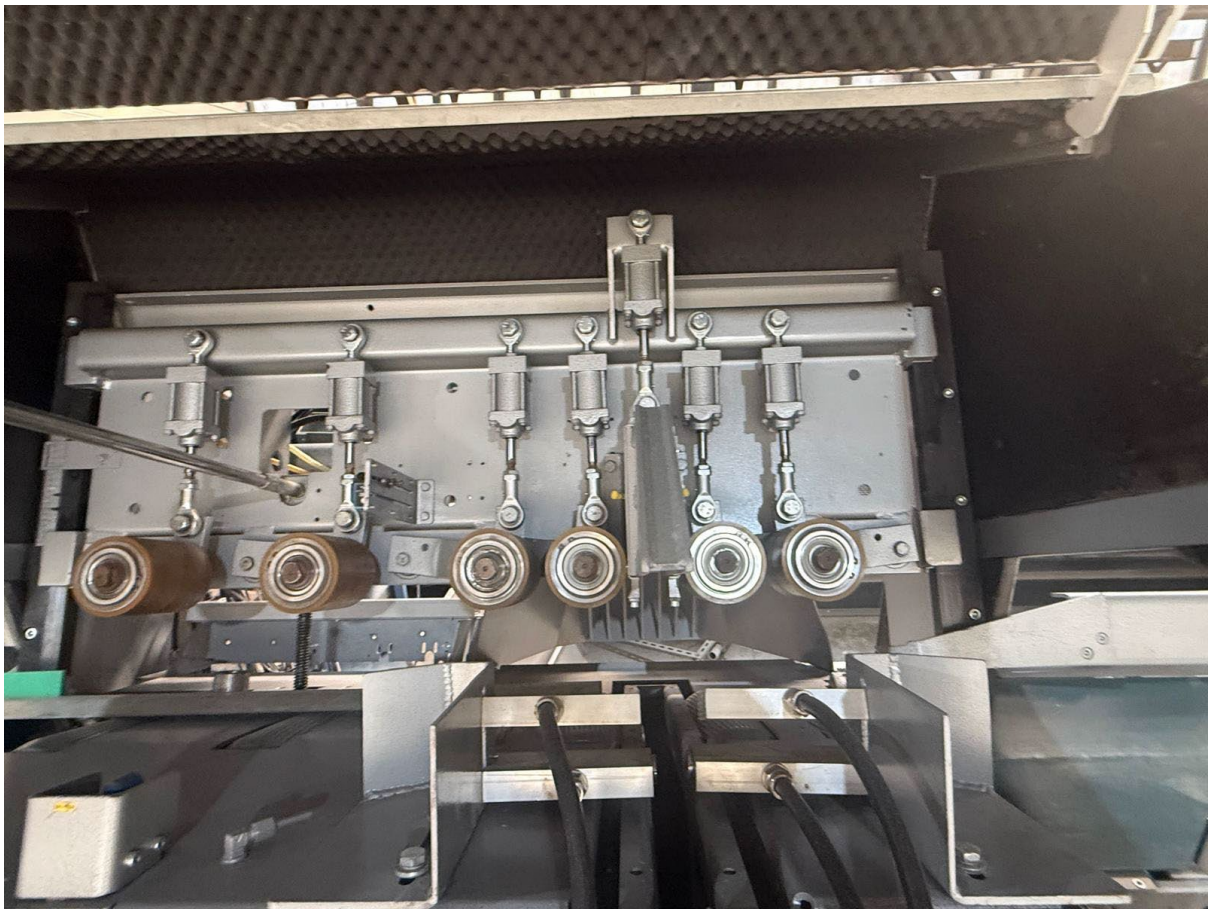

- Variable speed

- Time adjustment for the energy-saving module

- Energy saving by connecting the intermediate circuits

- 6 lower feed rollers, spiral-grooved, large diameter, hard chrome, for guiding the workpieces, driven by a durable timing belt.

- 6 upper rollers with easily replaceable polyurethane segments, independent pressure via pneumatic cylinders, with mechanical height-adjustment roller.

DISCHARGE

1 Conveyor belts 11.5 m/250 mm

- With guided belt
- Driven by a 1.1 kW gear motor

4 Pneumatic ejectors / 250 mm stroke

- Robust design
- Suitable for 250 mm conveyor belt
- Maintenance-free pneumatic cylinder
- Installation, connection, testing

CONTROL SYSTEM - MAXI PREMIUM

- With operator terminal with touchscreen, keyboard and dust-protected optical mouse
- Remote diagnostics and installation of updates over the Internet (network)
- PC with real-time Linux operating system
- Current software and parameters on USB stick

Year of manufacture 2009, overhauled as new Oct 2026, 6 months warranty

MANUFACTURER PAUL MASCHINENFABRIK GERMANY

FINAL PRICE EXW EXCL. VAT.....74,900 EUR

OPTIONAL:

- INSTALLATION.....5,000 EUR

- TRANSPORT WITHIN ROMANIA.....1,000 EUR

GRAND TOTAL.....79,900 EUR, 12 MONTHS WARRANTY

Delivery time.....10 days from advance payment

Commercial Conditions

General Warranty Conditions
For the machine(s) offered we grant a 6-month warranty. The warranty applies only to machine(s) operated in accordance with the manufacturer's recommendations contained in the machine(s)' operating and maintenance manual.
The machine(s) is/are new and unused.

Service

- During the warranty period we provide full technical support for emergency interventions.
- During the warranty period, parts found to have a manufacturing defect will be replaced free of charge. Parts considered consumables are not replaced free of charge (belts, bearings, etc.)

Commercial Terms

- the price(s) is/are expressed in Euro and do not include VAT
- standard payment installments (these may be subject to change, depending on the final negotiation):
  - 90% of the value - advance after contract signing and order confirmation
  - 10% after commissioning

Offer Validity - 10 days from the date of issue.

After this period the specifications and price(s) of the machine(s) offered may be subject to change.
