SOFA PACKAGING LINE

Safe, Delicate and Accurate Packaging

Fully Automatic Packaging Machine

Different sizes of sofas, couches etc.

Are you looking for the right solution for packaging products?

Let's examine it together.

We offer fully automatic packaging that prepares itself according to the dimensions of your products.

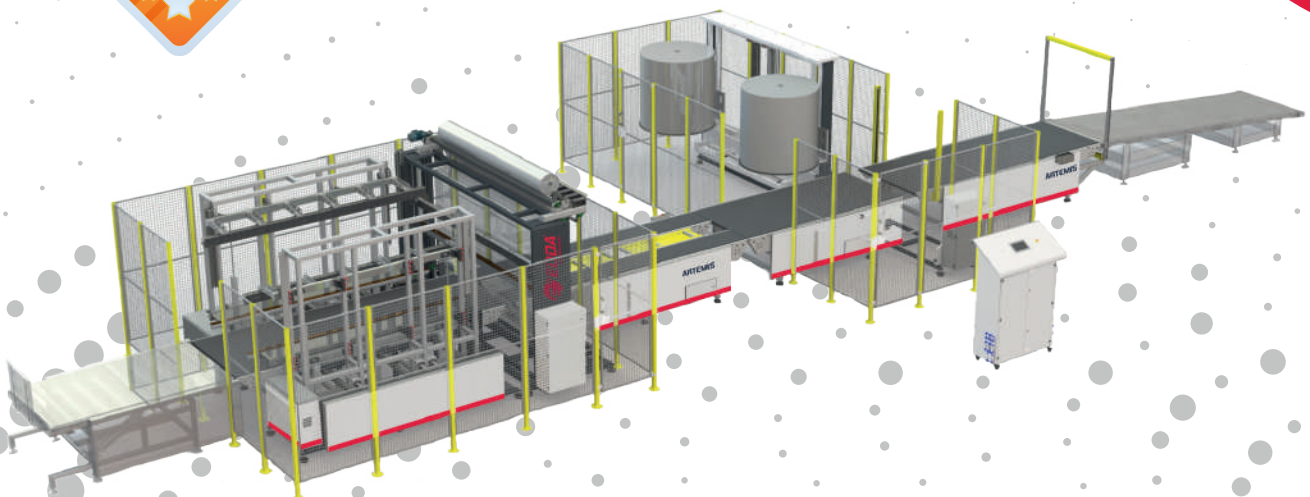

After placing your sofa on the line, sofa dimensions information is obtained by the system.

After the operations carried out at the stations, the packaging process is completed by closing the sofa totally.

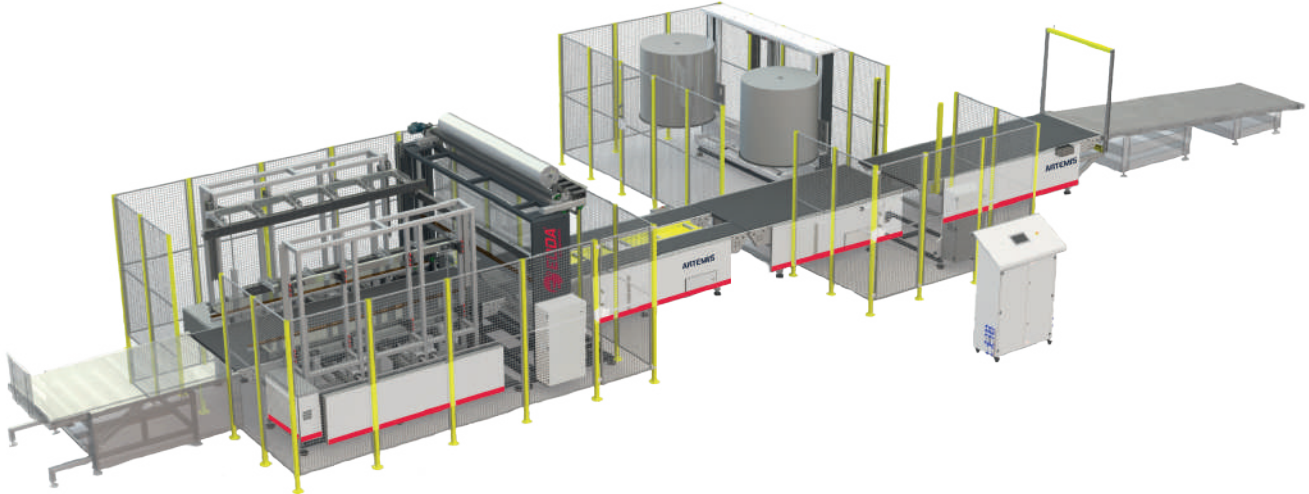

The stations on the line are programmed for optional use.

Do you want to carry out your complete packaging operations in the minimum time and correctly?

Here is ARTEMIS...
