

INDUSTRIAL HOT WATER BOILER FOR SALE

Viessmann Vitomax 200-LW – Type M64A

16.5 MW Industrial Boiler with Weishaupt Burner

Equipment Overview

Manufacturer: Viessmann (Germany)

Model: Vitomax 200-LW – Type M64A

Year of manufacture: 2011

Recorded operating hours: approx. 361 h

Status: Available for sale – currently installed, to be dismantled.

This unit is a high-capacity industrial hot water boiler manufactured by Viessmann and designed for district heating plants and industrial heating systems.

Key Technical Data

Parameter	Value
Rated thermal output	16.5 MW
Maximum operating pressure	6 bar
Maximum flow temperature	110 – 120 °C
Fuel	Natural gas
Boiler type	Three-pass fire-tube hot water boiler
Boiler weight	approx. 35.8 t (including insulation)

Burner Included

Manufacturer: Weishaupt (Germany)

Type: WKG 80/3-A

Capacity range: 2.2 – 22 MW

Fuel: Natural gas

Year: 2011

Weishaupt industrial burners are widely used in high-capacity heating plants and are known for reliability and long service life.

Dimensions & Transport

Length: approx. **8.7 m**

Width: approx. **3.5 m**

Height: approx. **4.0 m + 300 mm steel frame**

Weight: approx. **35 tons**

Transport condition:

Oversized load – special heavy transport required

Condition

The boiler is complete and includes:

- boiler body
- thermal insulation
- front and rear doors
- structural frame
- industrial burner

Visual inspection indicates normal wear consistent with age.

No visible structural deformation has been observed.

The equipment is suitable for **relocation and reuse after reinstallation**.

Typical Applications

This type of boiler is suitable for:

- district heating plants
 - industrial production facilities
 - food industry plants
 - chemical industry plants
 - large commercial buildings
-

Commercial Terms

Indicative asking price (equipment only):

EUR 150,000

Price excludes:

- dismantling
- transport
- installation
- commissioning

The equipment is sold **as-is, where-is**.

Available Documentation

The following documentation is available:

- Photographic documentation
- Manufacturer datasheet – Viessmann Vitomax 200-LW
- Technical documentation – Weishaupt WK burner series

Inspection and Contact

Technical information, inspection visits and further discussions can be arranged upon request.
