

## Production Line for Radiators

| Function                     | Manufacturer      | Type         | Year of manufacture |
|------------------------------|-------------------|--------------|---------------------|
| HD Compressor                | J.P. Sauer & Sohn | WP 121L      | 2016                |
| PER Cleaning System          | DÜRR ECOCLEAN     | Spezial 39 S | 1998                |
| AIR DRYER                    | ATLAS COPCO       | CD 60        | 2003                |
| Compressor                   | ATLAS COPCO       | GA45VSD      | 2008                |
| EXPANDER 1                   | OAK TOOLS         |              |                     |
| Lokring and Valve Assembly   | KARL VOLZ         | EPV 2        | 1983                |
| Lokring and Valve Assembly   | KARL VOLZ         | EPV 3        | 1984                |
| US-Soldering                 |                   |              |                     |
| Pipe-Bend Pressing Machine 1 |                   |              |                     |
| Pipe-Bend Pressing Machine 2 |                   |              |                     |
| Pipe-Bend Pressing Machine 3 |                   |              |                     |
| Lamella press 2              | OAK               |              |                     |
| Pipe Fork Bending Machine 1  | OAK TOOLS         | 8 mm         |                     |
| Pipe Fork Bending Machine 2  | OAK TOOLS         | 6 & 10 mm    |                     |

HD Compressor J.P. Sauer & Sohn WP 121L - 2016

PER Cleaning System DÜRR ECOCLEAN Spezial 39 S - 1998

AIR DRYER ATLAS COPCO CD 60 - 2003

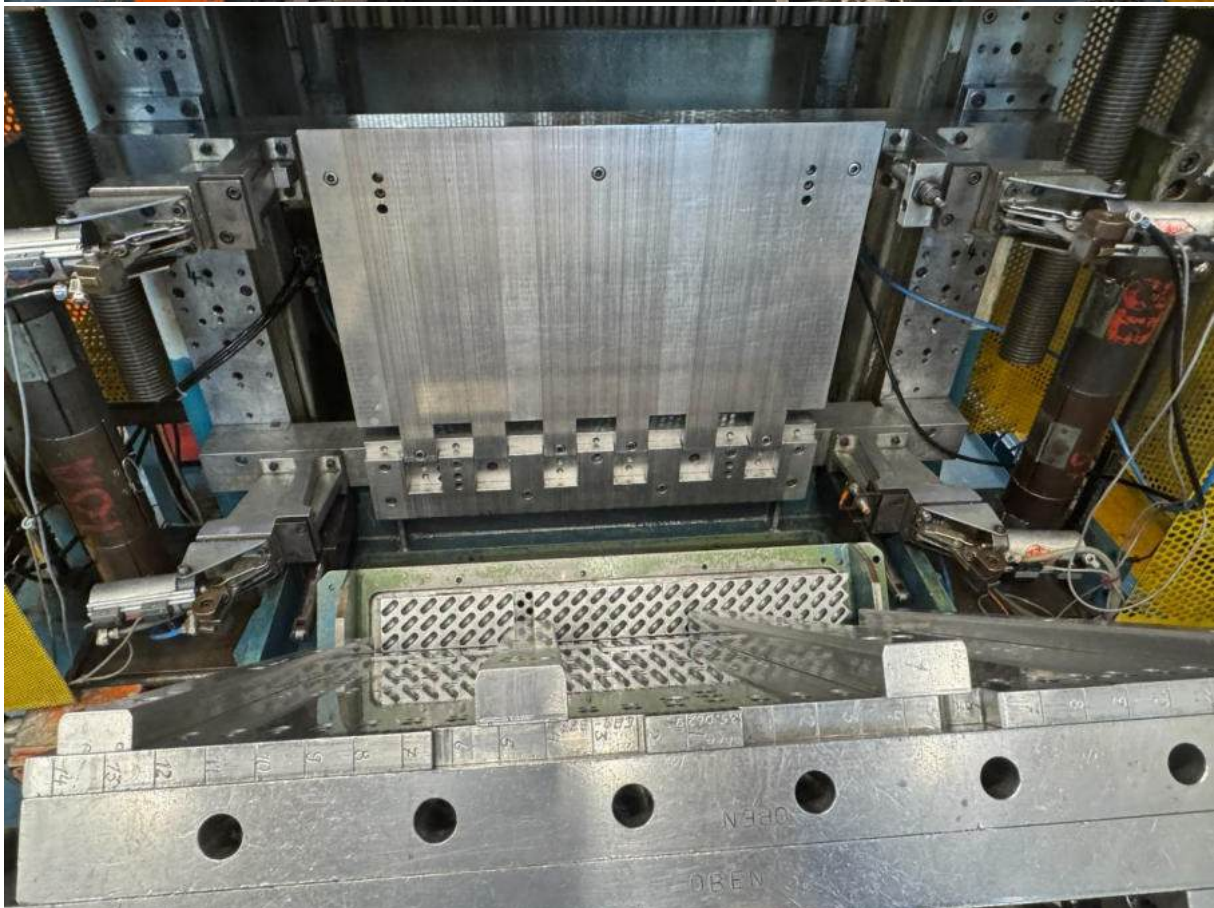

Compressor ATLAS COPCO GA45VSD – 2008

## EXPANDER 1 OAK TOOLS

Lokring and Valve Assembly KARL VOLZ EPV 2 - 1983

Lokring and Valve Assembly KARL VOLZ EPV 3 – 1984

## US-Soldering

Pipe-Bend Pressing Machine 1

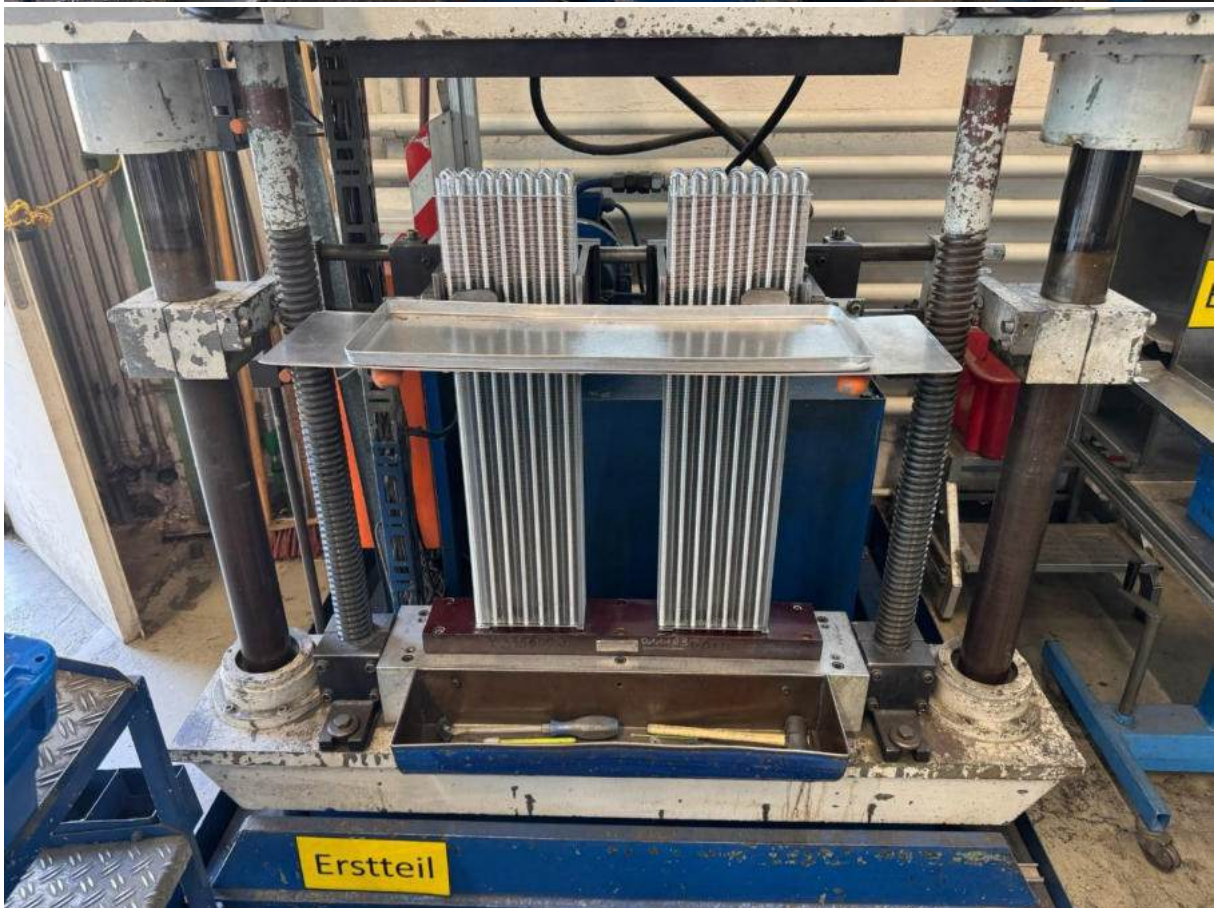

Pipe-Bend Pressing Machine 2

Pipe-Bend Pressing Machine 3

Lamella press 2 OAK

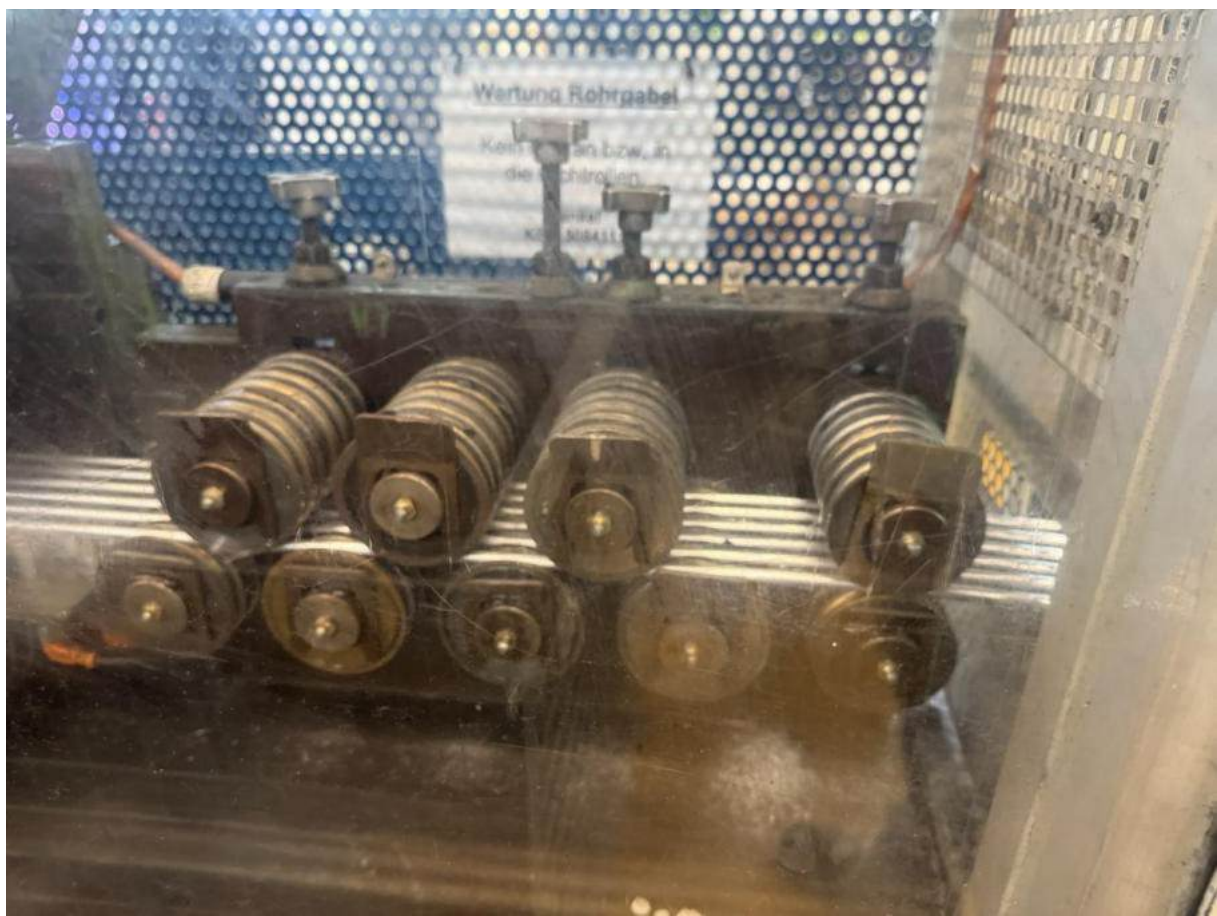

Pipe Fork Bending Machine 1 OAK TOOLS 8 mm

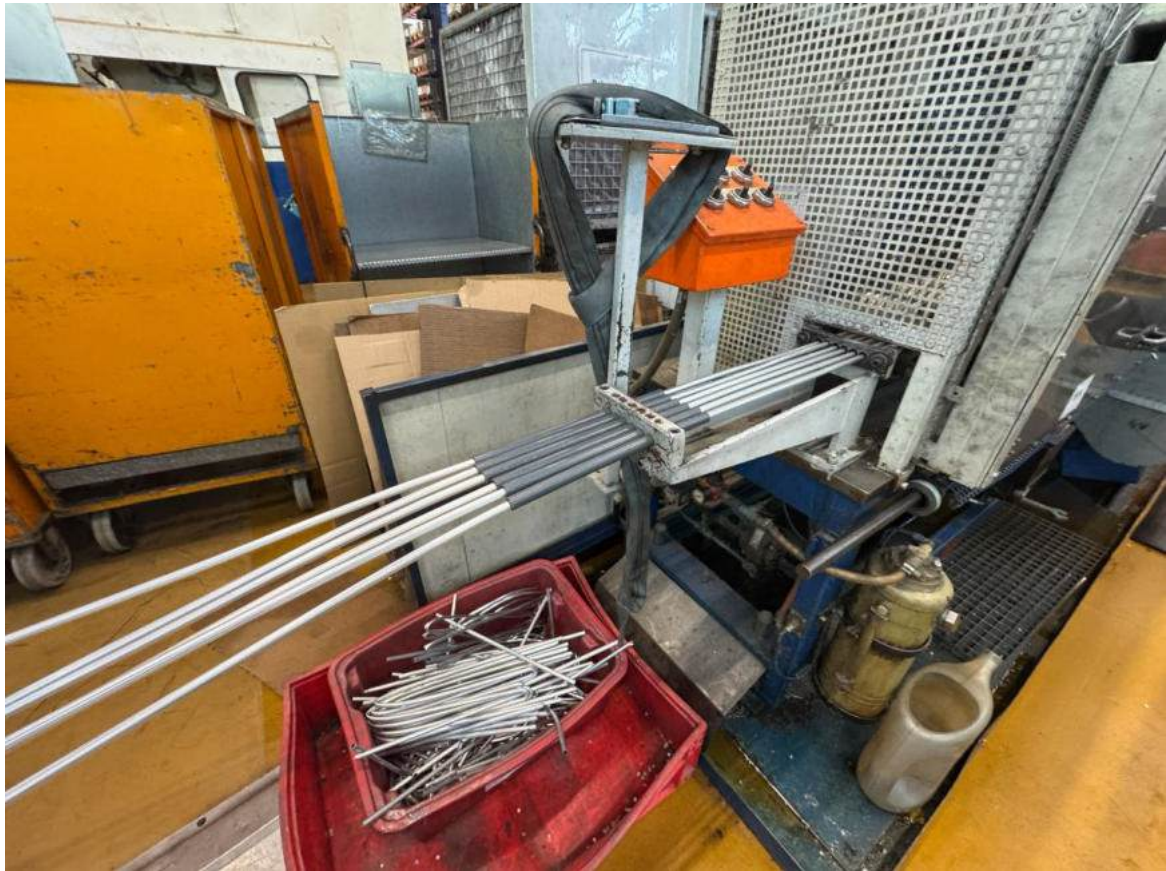

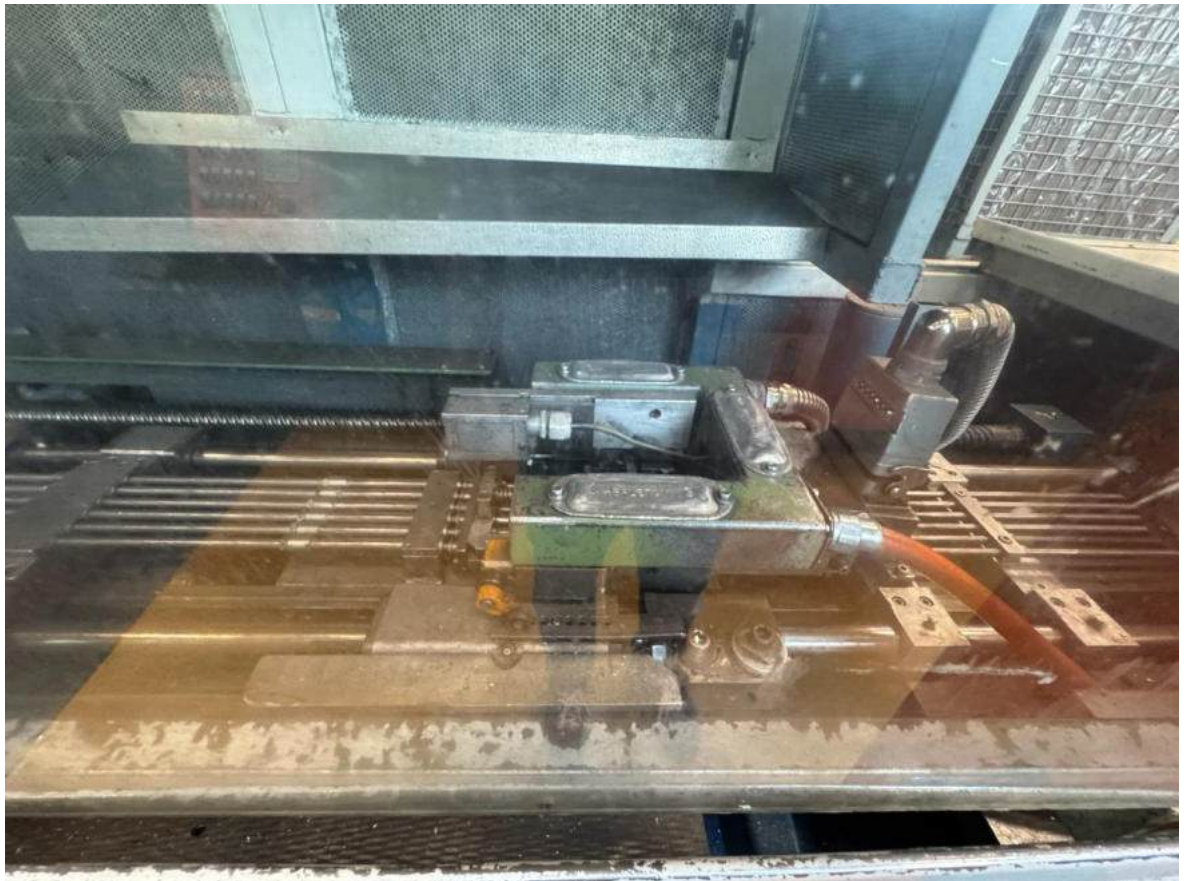

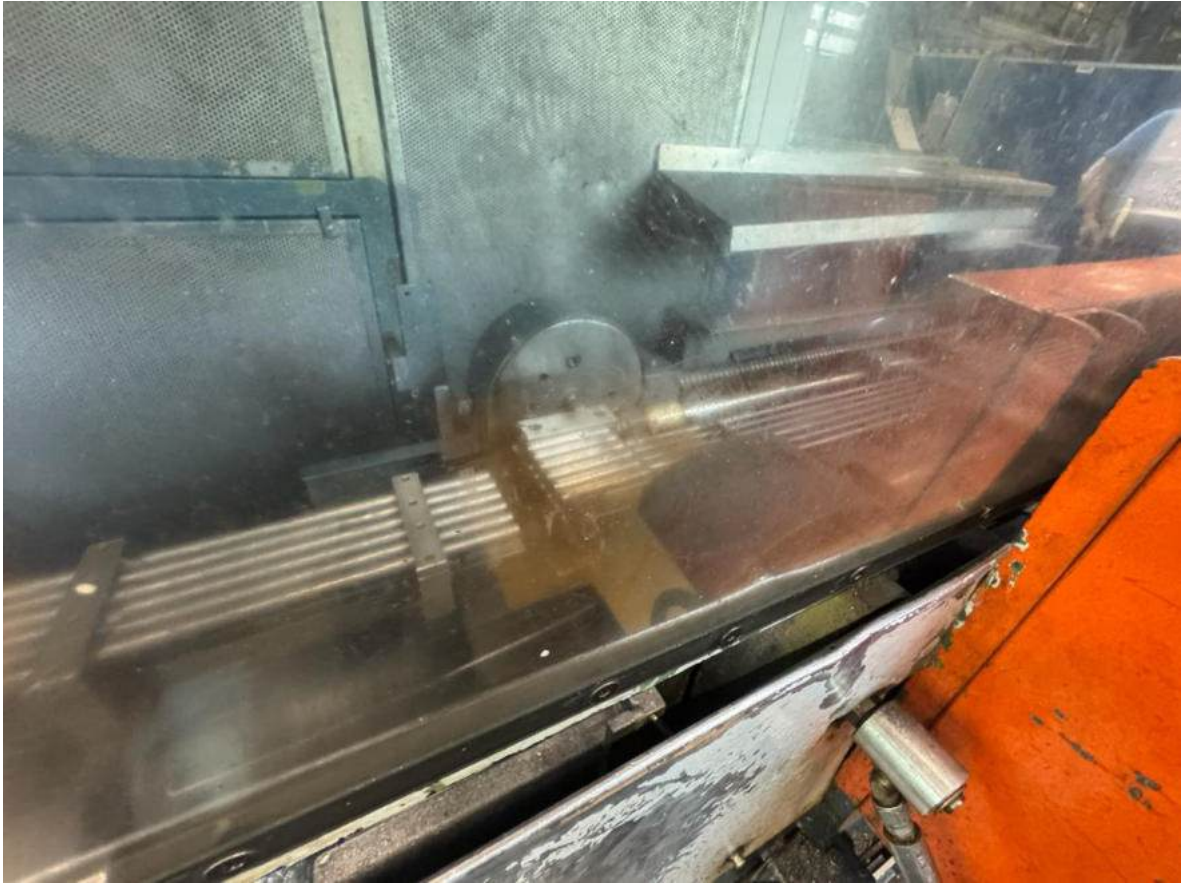

Pipe Fork Bending Machine 2 OAK TOOLS 6 & 10 mm
