

Waste paper conveyor

Designed to smoothly transport all offcuts to your waste bin container

Waste paper conveyor

A complementary conveyor to your three-knife trimmer. Waste paper conveyor will smoothly transport all offcuts from underneath your machine directly to your waste bin container.

Specifications

Waste paper conveyor	
Waste conveyor parameters	
Length (ground part)	643mm
Length (uphill part)	1836mm
Width	600mm
Minimum/maximum machine height	1650/1930mm
Minimum/maximum ground part level	18/~500mm
Weight	106,5kg
Belt parameters	
Material	Habasit F-5EXWT+PNF-20
Flights' height	40mm
Electrical supply data	
Voltage	50Hz – 400V, 60Hz – 480V
Power input	500W
