

K+G WETTER BOWL CUTTER MODEL CUTMIX 120 STL

Sales Information

- Capacity: **120 liters**
- Year of construction: **2020**
- Cutting head with 6 knives
- **Touch screen + membrane controls**
- **Manual unloader**
- **CutControl & CutVision**, advanced software

Bowl capacity	120L
Operating Voltage	400/380V/50Hz
Machine Total Power	42,5kW
Variable knife speed	40-5000 rpm
Mixing speed (forward and reverse)	40-500 rpm
Variable bowl speed	5-18 rpm
Weight including unloader	1650kg

Unique Opportunity! K+G Wetter Bowl Cutter CUTMIX 120 STL – New, Never Used – Available Now!

Main Features:

- **Bowl Capacity:** 120 liters – Perfect for large-scale production.
- **Year of Manufacture:** 2020 – like new, very little used.
- **Cutting Head with 6 Blades:** For fast and efficient cutting.
- **Touch Screen + Membrane Controls:** Modern touch screen for intuitive operation.
- **Manual Unloader:** Easy and efficient unloading system.
- **Advanced Software CutControl & CutVision:** For precise and optimized cutting and mixing control.
- **Total Machine Power:** 42.5 kW – High power for superior performance.
- **Variable Knife Speed:** 40-5000 rpm – Adjustable for different product types.
- **Mixing Speed (Forward & Reverse):** 40-500 rpm – Versatility for various applications.
- **Variable Bowl Speed:** 5-18 rpm – For precise mixing process control.
- **Operating Voltage:** 400/380V / 50Hz – Ideal for standard industrial systems.
- **Total Weight with Unloader:** 1650 kg – Stability and durability.

Condition: Brand new and never used! Perfect for food processing industries looking for high-end, efficient equipment with cutting-edge technology.

Why Choose This Machine?

- **Efficiency and Versatility:** Thanks to its advanced software and adjustable speeds, it is ideal for a wide range of products.
- **Robust and Reliable Design:** With a 6-blade cutting head and manual unloader system, ensuring precision and durability.
- **Easy Operation and Control:** The touch screen, along with the intuitive software, allows for hassle-free operation.

Don't miss the opportunity to acquire this high-quality equipment at a competitive price!
